

PROPERTY ANALYSIS + CONSULTATION

\$399

CONSULTATION

A 30-minute consultation with a Project Manager to review the results and all necessary information related to your project goals.

SITE ANALYSIS

With each site being different and having a unique set of challenges, our team wants to ensure your property has sufficient accessibility for your containers.

ZONING VERIFICATION

Our team will contact your local municipalities to determine if your Shipping Container Home goals can be accomplished on your property.

MUNICIPALITY REQUIREMENTS

Every city & county is different. Whereas we find out what is possible on your property. This will help give you insight into utilities, minimum square footage, construction builds, etc.
